### Thought for Today

What we shall have's  
not what we've got;  
Our pains don't linger  
in one spot--  
They skip about; the  
seesaw's end  
That's up will mighty  
soon descend;  
You've looked at bacon?  
Life's like that--  
A streak of lean, a  
streak of fat.  
Change, like a sky  
that clouds, that  
clears,  
Hangs o'er the recti-  
fying years.  
The best of them, be  
sure, cannot  
Escape the common  
human lot;  
So many smiles, so  
many tears  
Come with the recti-  
fying years.
